EXPERIENCE

Holistic Education Tutor & Curriculum Dev
Nov 2025 - Dec 2026

Working for Holistic Edu as a tutor to students from grade school to college age while writing, editing, and publishing whole curricula was rewarding and challenging. This opportunity reignited my love of teaching.

Grade Potential English Tutor
May 2025 - Oct 2025

I worked under a long-term contract with Grade Potential LLC. I tutored a diverse range of students from middle school to college age in ELA, ESL, reading comprehension, essay consultation, and standardized test prep.

Fulton First Step
Jan 2021 - Oct 2021

My experience at Fulton First Step saw me working at Sandtown Middle School as a teaching assistant/student teacher in their ELA department.

Author
2013 - Present

On Nov 12, 2013 I self-published a collection of realistic fiction stories titled "Architects" through Amazon Direct eBook Publishing which was received well and had one such story from it featured in the Ivy Hall Review of SCAD Atlanta.

I continue to write essays and articles on my portfolio site that cover topics ranging from education, to art, multimedia and popular culture.

Social Media Manager - Summit Hosting LLC
May 2017 - November 2017

As a contractor for this LLC, I handled the company's social media platform to communicate with clients. I wrote, edited, and published press releases as I worked to inform clients of ongoing and upcoming services as well.
